Thanks for this Donald.

Is there a possibility that he be present at our Neighborhood Meet-Up "Meeting At Your Corner" scheduled for this Wednesday evening at 7 p.m.

If you have time can you swing by and at least introduce him to neighbors?

Greatly appreciate it.

Peter

All business and property owners need to be aware of the fire in Sportie LA last night (June 16 at 7366 Melrose, between Fuller and Martel on the south side of the street). This was a major damage tragedy. Surveillance video may show that the fire was caused either intentionally or unintentionally by homeless individuals loitering / camping in the alley. We'll find out more as the investigation unfolds. The Melrose BID Security Ambassador has made tremendous strides in reducing Melrose homeless issues. But tragedy can result from even a single encampment. This fire is a reminder that we all need to band together for our mutual protection and safety. If there are homeless near your business contact Riley Sherwood, the Security Ambassador, in person or by email at melroseBIDambassador.com.

I thought that you might well want to let your neighbors know of this situation so that they can be on the look-out.

Let me know your thoughts.
